RESOLUTION DATED 24TH OCTOBER 1986 FOR
A EUROPEAN ASSOCIATION OF HEALTH LIBRARIES

250 librarians gathered at the closing session of the First European Conference of Medical Libraries on 24th October 1986 at 17.00 in Brussels decided unanimously on a proposal of the organizing and liaison Committees :

1. to maintain and to improve links and cooperation between health libraries in the European Region of the W.H.O., especially through contacts within I.F.L.A. and the Regional Office for Europe of the W.H.O.
2. to set up a European Association of Health libraries gathering initially health librarians of the 21 member states of the Council of Europe, whilst taking care to establish permanent links with other countries of the European Region of the W.H.O.

This new Association would :

- unite health librarians of the member states of the Council of Europe,
- accept individual membership of librarians, institutional membership of libraries, and membership of national associations of health libraries,
- represent health librarians, especially in relations with European institutions,
- promote information, education and mobility of health librarians in Europe,
- promote cooperation of health libraries in Europe, especially by coordinated use of new information technologies.

RESOLUTION DU 24 OCTOBRE 1986 POUR UNE

ASSOCIATION EUROPEENNE DES BIBLIOTHEQUES DE SANTE

Les 250 participants de la Première Conférence Européenne des Bibliothèques Médicales réunis en séance de clôture le 24 octobre 1986 à 17 heures à Bruxelles ont décidé à l'unanimité, sur proposition des Comités d'organisation et de Liaison de la Conférence, de :

1. maintenir et renforcer les liens et la coopération entre les bibliothèques du secteur de la santé dans toute la région européenne de l'OMS, et cela notamment par les contacts au sein de l'IFLA et du Bureau européen de l'OMS;
2. Constituer une Association européenne des bibliothèques de santé réunissant, au début, les bibliothécaires du secteur de la santé des 21 pays membres du Conseil de l'Europe, tout en veillant à assurer des liens permanents avec les autres pays de la région européenne de l'OMS.

L'Association ainsi créée devrait :

- réunir les bibliothécaires du secteur de la santé des pays membres du Conseil de l'Europe,
- prévoir des adhésions individuelles de bibliothécaires, des adhésions institutionnelles de bibliothèques et des adhésions d'associations nationales de bibliothèques de santé,
- assurer la représentation des bibliothécaires du secteur de la santé auprès des institutions européennes notamment,
- contribuer à l'information, à la formation et à la mobilité des bibliothécaires du secteur de la santé en Europe,
- promouvoir la coopération des bibliothèques de santé en Europe, notamment par l'usage coordonné des nouvelles technologies.
