Research

COUNTY OF SÖRMLAND

4 hospitals

10 staff

COMBINED LIBRARIES

Medical

General

A close-up photograph of a silver and red stethoscope resting on a blue book cover. The book cover has a white label with text. The stethoscope's chest piece is prominent in the center, and its tubing extends towards the top left. The background is a soft-focus blue.

NEW ASSIGNMENT

Aid in training

Skills development

Research

NEW TARGET GROUPS

A group of approximately ten women are seated around a large wooden conference table in a meeting room. They are dressed in professional attire, including blouses, jackets, and scrubs. The room has a neutral color palette with wood paneling. The women appear to be engaged in a discussion or listening to a speaker. There are papers, a water bottle, and a coffee cup on the table.

IDENTITY SHIFT

The background features several overlapping library cards from Sörmland County Hospital Library. One card prominently displays a black sculpture of a human head with a brain, set against a background of red binary code (0s and 1s). The cards also contain text in Swedish, including 'Sjukhusbibliotek' and 'SÖRMLAND'.
