#### Wiki

- <u>http://uhlwritingclub.pbworks.com</u>
- Repository of past presentations
- Used to promote future meetings
- Useful links for publications
- Used to promote related internal and external training, both online and face-toface
- Collaborative authorship of pages

# Progress

- Some sessions better attended than others
- Staff from all 3 sites and all staff groups attended sessions
- Willing and keen presenters
- Wiki has provided handy focus for current queries

   pulls together work of club so far

NHS Libraries

# Future directions

- PD meeting with Foundation Programme Director to embed concept into junior doctor training
- Evaluation and benchmarking
- Taking Writing Club "on the road" into directorates for more specialist focus and guaranteed attendance
- "Clinic" for helping with referencing, searching, etc.
